

PREPARED CANADA FIRST AID COURSES

The St. John Ambulance is WSIB approved to deliver and teach emergency and standard first aid. All workplaces first aid courses are taught with CPR certification as a component of the course.

STANDARD FIRST AID

A 2-day course required for workplaces with 6 or more employees working at any given time. The course details both life threatening and non-life threatening first aid emergencies.

- 1 Day Renewal (in-class) \$97.75* to \$115 per trainee
- 2 Day (1 online/1 in-class) \$144.50* to \$170 per trainee

EMERGENCY FIRST AID

A 1-day first aid course acceptable for workplaces with 5 or less employees working at any given time. The course focuses on life threatening first aid emergencies.

- 1 Day (1/2 online 1/2 in-class) \$97.75* to \$115 per trainee

CPR COURSES

- Level A

Adult resuscitation only; the requirement for most places of work in Ontario.

- Level C

Adult, child and infant resuscitation.

- 2 Day \$153* to \$180 per trainee

- Level BLS

Basic Life Support (formerly HCP, Health Care Professional)

- 2 Day \$170* to \$200 per trainee
